From: Holly Brandt, Clerk
Date: November 14, 2018
Re: Belle Terre Litigation – Milford Hills Properties/RPL of Michigan vs. Charter Township of Milford

In regard to Case No. 2017-162642-CZ, concerning the Milford Hills litigation, the Township's legal counsel has worked diligently with Township officials in order to respond to Plaintiffs' First Set of Interrogatories and Request to Produce. Despite the attorneys' efforts, Plaintiffs' legal counsel filed a motion with Oakland County Circuit Court compelling a more immediate response (see attached). A hearing was scheduled for November 21, 2018 for that matter. In addition, the Court issued a Notice of Case Evaluation for January 3, 2019.

As of the date of this communication, no other pleadings have been filed.
