**Re:** Joel Hack & Wren Beaulieu-Hack Litigation vs. Charter Township of Milford

---

In regard to the Joel Q. Hack, et. al. (Plaintiffs) vs. the Charter Township of Milford, et. al. (Defendants) US District Court litigation, the deposition of Township engineering consultant Michael Darga (HRC) was continued by Plaintiffs on March 13, 2018. The depositions of Plaintiffs Joel Hack and Wren Hack were also taken by the Township's legal counsel on April 4, 2019, and the deposition of Plaintiff's builder, Bill Rogers, was taken on April 9, 2019. Finally, today was the date scheduled for the deposition of Plaintiff's engineer, Brett LaVanway, which we assume proceeded as scheduled. Those depositions did not produce any documents for filing with the Court or the Township

Other than discovery proceedings, no further pleadings have been filed and no action has been taken by the parties since last reported by legal counsel at the March 20, 2019 Township Board meeting.
