RE: Parcel 16-20-200-039
2610 Pearson Road

The filling and grading activity-taking place on the above-mentioned property in Milford Township requires review, approval and permitting from this office.

I have enclosed an application to be completed and submitted with engineered grading plans for the property mentioned above to be reviewed by the consulting engineers for the Township and approved by our Board of Trustees.

Your organization has ten (10) days to begin the process of securing the necessary approvals for this work and cease the further placement of fill material on the property until an approval is granted. If ignored the Township will seek legal action to insure compliance.

If you have any questions or need additional information contact this office for assistance.
