Subject: Hack Fill Permit

Bill:

Have you talked to Mike Darga about your concerns in regard to the Hack property (grading, filling, drainage) that were discussed at the Board meeting last Wednesday?

Mr. Hack's lawyer (very unpleasant man) contacted Holly on Friday, and then I spoke with him at length and attempted to explain the process. He is not a municipal lawyer, he's a general litigator, so he's slightly confused about several procedural issues, and repeatedly threatened suing the Township in an attempt to force action in favor of his client. I am comfortable with the discussion and action taken by the Board, but I want to make sure the administration, staff and consultants are following-up on everything in case this matter litigates, so thought I'd check in with you to verify whether you talked to HRC yet.

Thanks, Jennifer
