

Plan Ahead! Plan Milford

Baker's of
Milford Banquet Hall
2025 S. Milford Road

What would you like to see in the Milford Community in the next 20 years? Tell us on **Tuesday, September 26, 2006**, at the first Master Plan Community Forum called ~ *Plan Milford*. That's when you and others who live and work all over the community can put your heads together to help shape Milford's future.

Find out how people view our community. What are the bright spots? What could be better? Build on those ideas. Share what you believe Milford needs to offer those who will live and work here. Commit to finding out what others want to see in Milford's future plan.

SEPT. 26, 2006

6:30—9:30 PM

Good planning guides change, minimizes negative impacts and maximizes positive growth. Roll up your sleeves and join with other community members and begin to define, prioritize and influence the growth and development of the Milford Community for years to come.

Community Forum #1

Tasks: Identify what makes us proud to live here; work with community members and the technical team to identify implications for Milford's future; commit to finding out and bringing back what other successful communities have done.
