In regard to Case No. 2017-162642-CZ concerning the Milford Hills litigation, the first part of Facilitation between the parties with attorney Alan Greene occurred on April 18, 2019. An additional day of Facilitation was also conducted with Mr. Greene on June 6, 2019. No additional information was provided by Plaintiff at that time, so the parties are simply moving forward with discovery and negotiation.

The Court previously ordered a Status Conference for June 26, 2019, which remains scheduled as ordered.
