

# THEY'RE YOUR METROPARKS. TAKE A WALK ON OUR WILD SIDE.

Kensington Metropark | 2240 West Buno Road, Milford MI 48380 | 810-227-8910 | metroparks.com

January 6th, 2021

Dear Kensington Metropark Neighbor,

The Michigan Department of Natural Resources has issued Deer Management Assistance Permits to the Huron Clinton Metropolitan Authority to reduce the deer population at Kensington Metropark.

As in the past our method of control will be Metropark police trained as sharpshooters. We have scheduled the following dates for our cull: Thursday, February 4th, 2021, and Thursday, February 11th, 2021. On these dates portions of the park or the entire park will close at 4 p.m., except for Buno Road.

The safety and security of our park patrons and adjacent property owners are of the utmost concern to us all, therefore DNR rules are being met with the emphasis on the safety zone requirement of 450 feet.

I realize that closing the park during these culls may be an inconvenience to many of you, but we feel that it is the safest and most efficient way to manage this program.

Please feel free to contact me if you have any questions or concerns.

Sincerely,

Jeff Brown

Western District Park Superintendent
